

YESHA PRAYER

Dear Heavenly Father,
I ask that Your **INDOMITABLE SPIRIT** rest in me and empower me, so that I may **PERSEVERE** and become the extraordinary warrior You created me to be.

Dear Jesus,
I ask You to intercede for me. Please renew my mind with **INTEGRITY** and **SELF CONTROL**, so as I face the battles of this sport and life, I will be able to remain calm and know my victory is in You.

Dear Holy Spirit,
I ask You to guide my heart and mind, so I may display the **COURTESY** and love necessary for making a positive impact in the lives of all You want me to touch.

Dear God,
Please protect and bless the United States of America, our President, the elected officials, and our servicemen.

In Jesus' Name I pray, Amen.
